## Program Report

### **Program Name: AIDS Awareness Rally Program**

As felt no aid to AIDS in yesteryears as if a curse and due to bettered guidelines and awareness as learnt from scientific information accrued of late, a one day awareness program was volunteered in Ananthagiri and Ameenabad villages with the NSS volunteers and students as part of World AIDS Day. Volunteers and students with the support from localities had moved round the village and advocated the routes of HIV into body and expelled their myths regarding transition modes; also put forward the importance of hygiene and sanitation which attracted accolades from them.

## Program Report

### **Program Name: An Awareness Program on cashless Transactions**

Basically, India being an agriculture and rural dominated nation many of the dwellers rely on by-hand cash in terms of money transactions. As of late, due to sudden demonetisation these are affected due to lack of knowledge on digital transactions. Few of our trained volunteers and students under the VISAKA training program along with few faculty and SBI Ananthagiri officials initiated an awareness program for the people of Ananthagiri, Ameenabad, Golthanda, Kanapuram, Bojjagudem thanda and Venkatrampuram in which they moved throughout the villages and incorporated knowledge on various aspects like swiping of cards, change of pin and password. Also, personal attempts on these activities were shown in practical to ensure the aptness. Despite the first venture, consequential benefits were apparent.
