Dr. M.V.Siva Prasad, Principal of Anurag Engineering College is a renowned educationist, engineer and administrator, born at Khammam, A.P, India in 1970. He received B.E. [CSE] from Gulbarga University, M.Tech. [SE] from VTU, Belgaum and was awarded Ph.D from Nagarjuna University, Guntur.

He worked in various engineering colleges in different capacities and attained 20+ years of experience. He guided various projects at UG & PG level and published 10 research papers in international and national journals.

Autonomous & Permanent Affiliation

Anurag is the first ever college in Nalgonda District to be granted autonomous by UGC & permanent affiliation by JNTU (H), Hyderabad.

A Path breaking initiative

Anurag Engineering College, a prominent institution under the umbrella of the well known Anurag Group, emerged as a leading entity in its class of colleges of technology. Anurag - Kodad, envisioned by Dr. Palla Rajeshwar Reddy, the erudite Chairman of Anurag Group has spearheaded a genuine movement to establish world class engineering colleges in the underdeveloped rural environment.

Today, Anurag - Kodad is an epitome of excellence in engineering education for thousands of rural students and their thankful parents. There are an impressive number of young men and women from the college making it big in some of the blue-chip companies in India and abroad. A handful of Anurag students are chosen by some international research institutions as well.

Tucked in a beautiful, serene and sprawling lush green landscape spreading over thirty acres with a built up area of 4 Lakh Sq. Ft. Anurag - Kodad, is easily the best among the rural engineering colleges in south India in terms of faculty, infrastructure and success ratio.

Infrastructure

The infrastructure of the college is comparable only to the best institutions in India. Anurag's State-of-the-art laboratories have the latest equipment for practicals and project works going beyond the syllabus stipulated by the university. The systems, methods and procedures adopted for teaching are unique. This helps students to discover their own path of their own and also encourages them to learn from their own experience.

The spacious Anurag library has thousands of volumes & subscribes more than 250 international & national journals and has access to scores of e-journals.

The on-campus extra-curricular facilities like indoor and outdoor sports and NSS will greatly help for all round development of the students.

TEQIP

Anurag Engineering College prides on the fact that it is one of the 12 engineering colleges out of 720 colleges in A.P. and is among the select 25 private institutions in the country chosen by Govt. of India for the prestigious TEQIP grant for 2011. This World Bank funded grant is extended for enhancing the quality of technical education.

A motivated Training & Placement Division

Student Profile Management

At Anurag the student data is systematically organized by the placement team with the support of JKC, Co Cubes and Aspiring Minds. The joint effort effectively organizes the data and forwards it to potential companies. The companies in turn, undertake student assessment and provide useful feedback for profile improvement.

Training

In-House Training: The Anurag faculty trains students from the very first year by adding special hours to the regular academic plan in entire four years syllabi as there is flexibility due to autonomous status.

External Training: Anurag is also providing its students training from external agencies by inviting expert trainers from professional organizations by utilising TEQIP funds.

Training through MOUs: Anurag has a bunch of MOUs with Infosys(Campus Connect), Birlasoft, Oracle, Wipro(Mission LOX), IEG(JKC) etc. As part of the MOUs the students visit the companies for Industrial Tours in addition to hands on training.

Campus Placements

The Anurag students who are eligible and interested are placed in some of the best companies with handsome pay offers during the academic year 2013-14.

Anurag Group Students placed in

Annual Stanza and Vibrant Vista
