

**List of courses offered having focus on Employability/ Entrepreneurship/ Skill development**

| S. No. | Academic Year | Year | Semester | Program | Branch / Specialization | Course Name                                    | Activities/Content with direct bearing on Employability/ Entrepreneurship/ Skill development |
|--------|---------------|------|----------|---------|-------------------------|------------------------------------------------|----------------------------------------------------------------------------------------------|
| 1      | 2019-20       | I    | I        | B.Tech. | CE                      | Engineering Chemistry                          | Skill Development                                                                            |
| 2      | 2019-20       | I    | I        | B.Tech. | CE                      | Engineering Chemistry Lab                      | Skill Development                                                                            |
| 3      | 2019-20       | I    | I        | B.Tech. | CE                      | Programming for Problem Solving - I            | Employability / Skill Development                                                            |
| 4      | 2019-20       | I    | I        | B.Tech. | CE                      | Programming for Problem Solving - I Lab        | Employability / Skill Development                                                            |
| 5      | 2019-20       | I    | I        | B.Tech. | CE                      | English                                        | Employability / Skill Development                                                            |
| 6      | 2019-20       | I    | I        | B.Tech. | CE                      | English Language Communication Skills Lab - I  | Employability / Skill Development                                                            |
| 7      | 2019-20       | I    | I        | B.Tech. | CE                      | Mathematics - I                                | Skill Development                                                                            |
| 8      | 2019-20       | I    | I        | B.Tech. | CE                      | Engineering Workshop                           | Skill Development                                                                            |
| 9      | 2019-20       | I    | II       | B.Tech. | CE                      | Programming for Problem Solving - II           | Employability / Skill Development                                                            |
| 10     | 2019-20       | I    | II       | B.Tech. | CE                      | Programming for Problem Solving - II Lab       | Employability / Skill Development                                                            |
| 11     | 2019-20       | I    | II       | B.Tech. | CE                      | English Language Communication Skills Lab - II | Employability / Skill Development                                                            |
| 12     | 2019-20       | I    | II       | B.Tech. | CE                      | Mathematics - II                               | Skill Development                                                                            |
| 13     | 2019-20       | I    | II       | B.Tech. | CE                      | Engineering Mechanics                          | Skill Development                                                                            |
| 14     | 2019-20       | I    | II       | B.Tech. | CE                      | Engineering Graphics                           | Skill Development                                                                            |
| 15     | 2019-20       | I    | II       | B.Tech. | CE                      | Engineering Physics                            | Skill Development                                                                            |

|    |         |     |    |         |    |                                                 |                                                            |
|----|---------|-----|----|---------|----|-------------------------------------------------|------------------------------------------------------------|
| 16 | 2019-20 | I   | II | B.Tech. | CE | Engineering Physics Lab                         | Skill Development                                          |
| 17 | 2019-20 | II  | I  | B.Tech. | CE | Building Materials,<br>Construction & Planning  | Employability / Skill<br>Development                       |
| 18 | 2019-20 | II  | I  | B.Tech. | CE | Strength of Materials - I                       | Skill Development                                          |
| 19 | 2019-20 | II  | I  | B.Tech. | CE | Fluid Mechanics                                 | Employability / Skill<br>Development                       |
| 20 | 2019-20 | II  | I  | B.Tech. | CE | Engineering Geology                             | Skill Development                                          |
| 21 | 2019-20 | II  | I  | B.Tech. | CE | Surveying and geomatics                         | Employability / Skill<br>Development /<br>Entrepreneurship |
| 22 | 2019-20 | II  | I  | B.Tech. | CE | Surveying Lab                                   | Employability / Skill<br>Development /<br>Entrepreneurship |
| 23 | 2019-20 | II  | I  | B.Tech. | CE | Engineering Geology Lab                         | Skill Development                                          |
| 24 | 2019-20 | II  | I  | B.Tech. | CE | Probability and Statistics                      | Skill Development                                          |
| 25 | 2019-20 | II  | II | B.Tech. | CE | Strength Of Materials-II                        | Skill Development                                          |
| 26 | 2019-20 | II  | II | B.Tech. | CE | Hydraulics And Hydraulic<br>Machinery           | Employability                                              |
| 27 | 2019-20 | II  | II | B.Tech. | CE | Structural Analysis-I                           | Employability                                              |
| 28 | 2019-20 | II  | II | B.Tech. | CE | Concrete Technology                             | Employability / Skill<br>Development                       |
| 29 | 2019-20 | II  | II | B.Tech. | CE | Computer Aided Civil<br>Engineering Drawing Lab | Employability / Skill<br>Development /<br>Entrepreneurship |
| 30 | 2019-20 | II  | II | B.Tech. | CE | Strength Of Materials Lab                       | Employability / Skill<br>Development                       |
| 31 | 2019-20 | II  | II | B.Tech. | CE | Fluid Mechanis And<br>Hydraulic Machinery Lab   | Employability / Skill<br>Development                       |
| 32 | 2019-20 | II  | II | B.Tech. | CE | Basic Electrical and<br>Electronics Engineering | Employability                                              |
| 33 | 2019-20 | III | I  | B.Tech. | CE | Structural Analysis                             | Skill Development                                          |

|    |         |     |    |         |    |                                              |                                                      |
|----|---------|-----|----|---------|----|----------------------------------------------|------------------------------------------------------|
| 34 | 2019-20 | III | I  | B.Tech. | CE | Design of RC Structures                      | Employability / Skill Development / Entrepreneurship |
| 35 | 2019-20 | III | I  | B.Tech. | CE | Environmental Engineering                    | Employability / Skill Development                    |
| 36 | 2019-20 | III | I  | B.Tech. | CE | Soil Mechanics                               | Skill Development                                    |
| 37 | 2019-20 | III | I  | B.Tech. | CE | Water Resource Engineering                   | Skill Development                                    |
| 38 | 2019-20 | III | I  | B.Tech. | CE | Water shed Management                        | Employability / Skill Development                    |
| 39 | 2019-20 | III | I  | B.Tech. | CE | Disaster Management                          | Skill Development                                    |
| 40 | 2019-20 | III | I  | B.Tech. | CE | Soil mechanics lab                           | Employability / Skill Development / Entrepreneurship |
| 41 | 2019-20 | III | I  | B.Tech. | CE | Computer Aided Drafting lab                  | Employability / Skill Development / Entrepreneurship |
| 42 | 2019-20 | III | II | B.Tech. | CE | Design of steel structures                   | Employability                                        |
| 43 | 2019-20 | III | II | B.Tech. | CE | Foundation Engineering                       | Employability / Skill Development                    |
| 44 | 2019-20 | III | II | B.Tech. | CE | Transportation Engineering                   | Employability / Skill Development                    |
| 45 | 2019-20 | III | II | B.Tech. | CE | Irrigation Engineering                       | Employability / Skill Development                    |
| 46 | 2019-20 | III | II | B.Tech. | CE | Construction technology & Project management | Employability / Skill Development / Entrepreneurship |
| 47 | 2019-20 | III | II | B.Tech. | CE | Environmental impact Assessment              | Skill Development                                    |
| 48 | 2019-20 | III | II | B.Tech. | CE | Advanced Structural Analysis                 | Skill Development                                    |
| 49 | 2019-20 | III | II | B.Tech. | CE | Concrete Technology Lab                      | Employability / Skill Development / Entrepreneurship |
| 50 | 2019-20 | III | II | B.Tech. | CE | Advanced English Communication Skills Lab    | Employability / Skill Development                    |
| 51 | 2019-20 | III | II | B.Tech. | CE | Construction Materials                       | Skill Development                                    |

|    |         |     |    |         |    |                                                |                                                      |
|----|---------|-----|----|---------|----|------------------------------------------------|------------------------------------------------------|
| 52 | 2019-20 | III | II | B.Tech. | CE | Waste Management                               | Skill Development                                    |
| 53 | 2019-20 | III | II | B.Tech. | CE | Solar Photovoltaic Systems                     | Skill Development                                    |
| 54 | 2019-20 | III | II | B.Tech. | CE | Maintenance of Electrical Systems              | Skill Development                                    |
| 55 | 2019-20 | III | II | B.Tech. | CE | Advanced Engineering Materials                 | Skill Development                                    |
| 56 | 2019-20 | III | II | B.Tech. | CE | Mechatronics                                   | Skill Development                                    |
| 57 | 2019-20 | III | II | B.Tech. | CE | Principles of Communication Systems            | Skill Development                                    |
| 58 | 2019-20 | III | II | B.Tech. | CE | Electronic Measuring Instruments               | Skill Development                                    |
| 59 | 2019-20 | III | II | B.Tech. | CE | Java Programming                               | Skill Development                                    |
| 60 | 2019-20 | III | II | B.Tech. | CE | Computer Networks                              | Skill Development                                    |
| 61 | 2019-20 | IV  | I  | B.Tech. | CE | Estimating and Costing                         | Employability / Skill Development / Entrepreneurship |
| 62 | 2019-20 | IV  | I  | B.Tech. | CE | Pavement Design                                | Employability / Skill Development                    |
| 63 | 2019-20 | IV  | I  | B.Tech. | CE | GIS & Remote Sensing                           | Employability / Skill Development                    |
| 64 | 2019-20 | IV  | I  | B.Tech. | CE | Geological Information System & Remote Sensing | Employability / Skill Development                    |
| 65 | 2019-20 | IV  | I  | B.Tech. | CE | Railways and Airport Engineering               | Skill Development                                    |
| 66 | 2019-20 | IV  | I  | B.Tech. | CE | Ground improvement techniques                  | Employability / Skill Development                    |
| 67 | 2019-20 | IV  | I  | B.Tech. | CE | Finite Element Methods                         | Employability / Skill Development                    |
| 68 | 2019-20 | IV  | I  | B.Tech. | CE | Power Plant Engineering                        | Skill Development                                    |
| 69 | 2019-20 | IV  | I  | B.Tech. | CE | Transportation Engineering lab                 | Employability / Skill Development / Entrepreneurship |

|    |         |    |    |         |    |                                                |                                                      |
|----|---------|----|----|---------|----|------------------------------------------------|------------------------------------------------------|
| 70 | 2019-20 | IV | I  | B.Tech. | CE | Environmental Engineering lab                  | Employability / Skill Development                    |
| 71 | 2019-20 | IV | I  | B.Tech. | CE | MiniProject                                    | Employability / Skill Development / Entrepreneurship |
| 72 | 2019-20 | IV | I  | B.Tech. | CE | Disaster Management and Mitigation             | Skill Development                                    |
| 73 | 2019-20 | IV | I  | B.Tech. | CE | Energy Storage Systems                         | Skill Development                                    |
