1. Mentors must be prepared to open themselves to the mentee by sharing their reasoning and decision processes with them and allowing themselves to be observed in the classroom.
2. The mentor has the skills and ability to match the support they give with the mentee's developing knowledge and understanding, thereby leading incrementally.
3. Mentors should be able to express care and concern, demonstrating empathy for the mentee's situation.
4. Support an atmosphere and attitude conducive to learning.
5. Facilitate follow-up discussion of class observation results and co-teaching experiences.
