Date: 16.07.2018

## CIRCULAR

It is here by informed that, all the head of departments and doctorates, meeting is scheduled on 20.07.2018 at 11:30 AM in the conference hall (Block-A), Anurag Engineering College, to constitute research ethics and advisory chair and committee members. All the head of departments and doctorates are requested to make it convenient to attend the meeting.

### Agenda:

- To constitute the R&D committee chairman and Convener followed by members
- Matters related to R&D policy and Consultancy Policy
- Any other matter related to the committee.

(Dr. M. V. Siva Prasad)

## **RESEARCH AND DEVELOPMENT POLICY**

A research development cell has been established that will prepare and implement the documents for development of research and development activities within the Institute.

Establishment of Research and Development (R&D) cell consisting principal as chair person and professor's/HoD's from all the departments as members. Members proposed the faculty incentives for their publications and contribution towards the project proposals which are sanctioned.

### **Responsibilities of R&D Cell:-**

The R&D Cell is responsible for assisting the Academic Committee in the performance of the Committee responsibilities in respect of the establishment and promotion of excellence in the Institute's research and development, and academic and research training activities. This includes the development, review and monitoring of achievements under the Research & Development, and those aspects of other Institute Plans.

1. The development and enhancement of the Institute's research capacities.
2. Motivate all Faculties to pursue research in their respective areas of expertise.
3. The protection and commercialization of the Institute's intellectual property.
4. Consultancy activities related to R&D
5. The provision of research and development opportunities for academic staff to maintain enthusiasm, awareness of current scholarship and relevance in teaching and other Institutional activities.
6. The development of infrastructure conducive to promoting the quality and quantity of research and development.

  
Principal  
Anurag Engineering College  
Ananthagiri (V&M), Kodad,  
Suryapet (Dt.), Telangana-508206

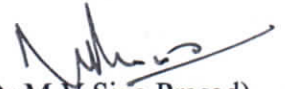

7. The establishment of research and development priorities; and monitoring the quality and quantity of school research and development.
8. Disbursement of Institute Research Funds to established researchers, both individually and in groups; including research infrastructure funds higher degree by research. Candidates seeding grants to beginning researchers research initiatives across the departments and provision of consolidated information to the Academic Council and other appropriate Institutional bodies.
9. Monitor the application of Research Funds to ensure that the funds are properly.
10. Promote emerging areas of research and development.
11. Development of mechanisms conducive to the best possible ways of engaging and motivating research staff.
12. To monitor and enhance the Quality of research programmers projects and the research infrastructure within Institute.
13. To be responsible for progression of research scholars.
14. To quicker the development of multi-disciplinary research endeavors across Faculties and departments.
15. Monitor the research and development performance of Individuals groups Centers and Faculties to encourage excellence and productivity through a database of research and development activities.
16. Oversee the application of the Code of Research Ethics for the responsible practice of research.
17. To formulate incentive schemes for promoting research activities with teachers and students.

  
Principal  
Anurag Engineering College  
Ananthagiri (V&M), Kodad,  
Suryapet (Dt.), Telangana-508206

18. The quality of postgraduate education to be brought up to an internationally high level.  
An evaluation of PG program to be carried out by the R&D committee,

19. To promote building build strategic durable partnerships and develop funding solutions  
with Industries and research Institutions for steering, funding and cooperation.

Meeting Schedule the R&D cell will meet at least two times every year. The R&D Chairman/  
Convener are responsible for determining if more meetings are required.

## RESEARCH AND DEVELOPMENT POLICY

The institute over-arching objectives are to lead the International/national agenda across the university disciplinary spectrum and through interdisciplinary initiatives and make significant contributions to society regionally. Nationally and internationally through the traits of our research

1. Lead the academic world and conduct internationally/nationally high-level research in each field.
2. Aim to discover new phenomena and create new technology. Based on principles and rules in natural phenomena,
3. Conduct cutting-edge researches leads the academic and industrial worlds at home and abroad and create and develop new academic and technological fields
4. Aim to globalize research and education,
5. Provide suggestions phase the future of humanity and the earth based on high-level academic foundations and vision,
6. Conduct researches that contribute to the development of human resources who can play a leading and core role in society and researchers who can conduct cutting edge researches.

Research Policy To Encourage the Faculty Members/Researchers to Carryout Quality Research is as Under The Institute shall make efforts to develop conducive research atmosphere in all the teaching and/or research departments.

Each Department shall he developed as a research centre for reorganization of the university by identify thrust areas of research in each department/ institute to promote research and shall make efforts to develop them of national international repute.

  
Principal  
Anurag Engineering College  
Ananthagiri (V&M), Kodad,  
Suryapet (Dt.), Telangana-500000

Every year at the end of academic session department head/R&D member shall submit the feedback on research including problems encountered/ faced by faculty/ researchers whets after organizing a faculty and researchers meeting to the core group, Feedback should also include the research publications, projects Completed undertaken and papers presented, key note delivered sessions chaired by each faculty /researcher.

Core group shall assist the faculty/ researcher to sort out the problems faced by them. The Institute emphasis shall he on interdisciplinary research.

The Institute shall financially assist faculty if funds are available with the institute, especially to the faculty those actively involving in research and not have research funds for carrying out their research projects for a maximum period of two years. However, if they receive the financial grants from any funding agency they shall seize to get further assistance.

The Institute shall encourage its faculty members to publish their researches in quality journals from every department and encourage with an incentive along with certificate of appreciation to the researcher if his/her research paper is published in quality International Research Journal.

The Institute shall encourage the faculty to attend faculty development programmers/Research courses/Seminars to expose the latest techniques and to interact with eminent researchers.

The Institute shall encourage its researchers and assist them in filing and obtaining patents. We shall also organize lecture/ symposium on intellectual property rights also establish an IPR cell for felicitating patent filing and etc.

  
Principal  
Anurag Engineering College  
Ananthagiri (V&M), Kodad,  
Suryapet (Dt.), Telangana-508206

Faculty members shall be eligible for TA/ DA (maximum of Rs.25000/-) for presentation of their research work in International conferences abroad once in three years. For national conference once a year for which TA/ DA provision shall also be available to its faculty members who are invited to deliver keynote address/lectures in National /International conferences or to chair a research session or to preside in the conference, seminar or workshops.

The Institute shall encourage industrial consultancy for which faculty will get 30% of the total amount and the institute provide all facilities for that consultancy work.

## THE RESEARCH AND DEVELOPMENT POLICIES FOR FACULTY INCENTIVES

Faculty members are allowed financial support to attend Faculty Development Programs TA/ DA (as per prevailing rules) and registration fee will be provided. Faculty members can avail this facility for two times maximum in an academic year.

1. If a research paper is published based on his/her work in hard copy or in electronic form in a refereed journal, institution will provide half of the amount expensed by the faculty and also it will be reflected during appraisal.
2. Every Doctorate has to submit any project proposal to at least one of the external funding agencies once in two years.
3. If any faculty has external funded projects 2 to 5% of the Project fund will be sanctioned as incentive as per committees recommendations. .
4. If the name of the Research Guide as 1st Author, then the 2nd name of Author may considered if the college name appears in the journal.
5. If any faculty guides a research scholar as co-guide, then 3rd names with college name will also be considered for incentive.
6. Publication incentives for Engineering Faculty:

I. Scopus Paid Journal

1<sup>st</sup> Author =6000/-Rs

2<sup>nd</sup> Author =4000/- Rs

3rd Author =2000/- Rs

II. Scopus Free Journal

1<sup>st</sup> Author =10000/-Rs

2<sup>nd</sup> Author =7500/- Rs

3rd Author =5000/- Rs

  
Principal  
Anurag Engineering College  
Ananthagiri (V&M), Kodad,  
Suryapet (Dt.), Telangana-508200

- III. SCI paid Journal  
1<sup>st</sup> Author =15000/-Rs  
2<sup>nd</sup> Author =9000/- Rs  
3rd Author =6000/- Rs

- IV. SCI Free Journal  
1<sup>st</sup> Author =20000/-Rs  
2<sup>nd</sup> Author =12000/- Rs  
3rd Author =6000/- Rs

7. Publication incentives for H&S and MBA. Faculty:

- I. Scopus Paid Journal  
1<sup>st</sup> Author =4500/-Rs  
2<sup>nd</sup> Author =3000/- Rs  
3rd Author =2000/- Rs

- II. Scopus Free Journal  
1<sup>st</sup> Author =8000/-Rs  
2<sup>nd</sup> Author =6000/- Rs  
3rd Author =4000/- Rs

- III. SCI paid Journal  
1<sup>st</sup> Author =10000/-Rs  
2<sup>nd</sup> Author =7000/- Rs  
3rd Author =5000/- Rs

- IV. SCI Free Journal  
1<sup>st</sup> Author =15000/-Rs  
2<sup>nd</sup> Author =8000/- Rs  
3rd Author =6000/- Rs

  
Principal  
Anurag Engineering College  
.Ananthagiri (V&M), Kodad,  
Suryapet (Dt.),Telangana-508206

8. Faculty may attend/present a paper in an International conference in abroad once in every three years for which the college will sanction an amount of Rs: 25,000/-.
9. The College will sanction actual TA & DA as per norms and 50% of registration fee up to the limit of Rs:15,000/- for presentation of paper in International Conferences organized by premier institution like ITTs/NITs/IIITs/universities. However for attending/presenting a paper in other organization and private institutions, the college will sanction actual TA/DA as per norm and 50% of registration. fee up to the limit of Rs: 6000/-
10. OD will be given twice in a year to a faculty for paper presentation in National Conferences.
11. Faculty can attend workshops/SDPs/FDPs as per Leave Policy.
12. The College will extend full support in all aspects of applying for PATENTS.
13. Book publication Cash reward: Rs. 5000/-

## CONSULTANCY POLICY

### Relationships with Sponsors:-

1. The methods, contents and results of research that has been funded (fully or partially) by external funds, shall be fully disclosed. Full particulars of the person or institution from outside the Institute who funded the research shall be provided in the published results of the research.
2. Researchers shall be honest with sponsors of their research about their qualifications and their research expertise and skills. Researchers shall ensure that sponsors require nothing of their research that is contrary with internationally acknowledged standards for ethical research.
3. Researchers shall only utilize a sponsor's funds for purposes explicitly approved by the sponsor. Consultancy amount distribution in percentage is given below
  - a) Institute..... 40%
  - b) HOD ..... 15%
  - c) Faculty In charge .... 30%
  - d) Technician ..... 10%
  - e) Junior Assistant ..... 2%
  - f) Accounts ..... 2%
  - g) Attender ..... 1%

## PROMOTION OF RESEARCH AND FACILITIES

The institute provides all necessary infrastructural facilities and a conducive environment to promote research activity in the campus. Due to limited resources, the institute may not be able to fund all the research activities taken up by the faculty and students. Faculties are encouraged to apply for various funding agencies and pursue their research. However, the institute is ready to provide seed funding or partial funding based on the merit of proposals submitted by faculty or student. The faculty and students are encouraged to present their ideas and project proposals before the research committee for getting the sanction of seed funding in accordance with institute guidelines.

The faculty and students are given liberty to choose the research area of their choice and guidance is given to seek funding from various funding agencies and industries. The institute encourages the faculty by providing incentives for peer reviewed publications, writing books and filing patents. The institute takes care of patent filing process, which is governed by the Research policy of the institute.

The institute gives a free hand to report research results and findings. However, a thorough review is done for all research proposals seeking funding from various funding agencies by consulting the research committee comprising the chairman R&D, Head of institute, doctorates, all head of departments and subject expert(s) of the department. This committee also monitors the impact of research and consultancy and ensures non-violation of research & consultancy ethics, professional ethics, privacy of the people, human rights, causing problems to health & safety of human beings and damage of the property.

Research Centers are established in various departments of the institute with necessary software and computing facilities for carrying out research activities. The main objectives of R&D

  
Principal  
Anurag Engineering College  
Ananthagiri (V&M), Kodad,  
Suryapet (Dt.), Telangana-508206

1. The head of the institution and the heads of the departments act as catalysts in promoting the research activities in the institute.
2. To provide necessary information and guidance to the faculty members for applying Research Projects sponsored by external agencies such as UGC, AICTE, DST and etc.
3. To motivate the faculty members to apply for externally Sponsored Research Projects.
4. The faculties are made available with adequate information about the funding agencies.
5. The institute established well advanced Library in the institute and city center in the promotion of research culture so that the researcher should be in a position to get all the necessary information for the research work under taken.
6. The institute allows and encourages its faculty members enrolled in research activity to use the infrastructure such as laboratory, Library, equipments, electricity and so on.
7. To motivate the faculty members to publish the research papers in reputed Peer Reviewed Journals of a minimum five years standing.
8. The institute also encourages the faculty members to attend conferences, seminars, workshops at the national and the international level for which institute meets the expenses.
9. The institute allows its faculty members who are pursuing Ph.D to require leave during course work period by assigning no workload.

## Minutes of R&D committee meeting held on 21<sup>st</sup> December, 2018

### Points Discussed:

Dr.M.V.Siva Prasad, Principal welcomed convener and members in general .The following decisions (agenda wise) were taken after detailed discussion among them in the meeting

### Functioning of various R&D committees:-

Discussed about the functioning of R&D committee and the members are satisfied with R&D policy and Consultancy Policy proposed by Chairman, was discussed and approved.

Dr.V.Srinivasa Rao, Convener gave oral presentation regarding the developmental activities and progress of the college. After witnessing the presentation, the Research ethics Chairman appreciated the actions taken by the Management of the College.

Members suggested improving Research publications in refereed journals preferably free journals by Faculty in all branches of engineering. And also Members suggested participating in more FDP and valuing added courses.

The meeting is concluded with vote of thanks by the Convener.
