As per the culture of Anurag Engineering College every academic year Department of Mechanical Engineering organizes college technical fest for the aspirants assembling from various engineering colleges with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes. These fests are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. Students are actively participated in all the events and presented their work. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene. The winners were encouraged with a cash prizes for all the events. For the academic toppers also gold and silver medals were given in the presence of their parents. Department feels proud to organize such a successful event and would like to convey thanks to principal and management for their timely advice and cooperation for organizing successful Fest. Arranged nearly 15 stalls of food and games by the students voluntarily. Not to forget final year and pre-final year students of Mechanical Department also deserve thanks for contributed their complete effort and participants for making "ADWITIYA 2K17" Fest a grand success.
