Program Report

Program Name: "PROFESSIONAL ETHICS"

Details of the Resource person: Dr. BEHARA SRINIVASA RAO

Dean, MIRACLE EDUCATION SOCIETY;

Ph: 9440803906.

The number of participants: 38

PROFESSIONAL ETHICS Seminar was held on 28.01.2020 at Anurag Engineering College in Block-D, 10:00am to 03:30pm

Professional Ethics means to increase the ability of concerned engineers, managers, citizens and others to responsibly confront moral issues raised by technological activities. The awareness of moral issues and decisions confronting individuals and organizations are involved in Management & Technology.

Objective of the Program:

- Professional Ethics is intended to develop a set of beliefs, attitudes and habits that engineers should display concerning morality
- To act in morally desirable ways, towards moral commitment and responsible conduct.

Outcome of the Program:

- The Professional Ethics are foundations of decision making, clarifying rules for academic publication, motivating others to understand values, examining the pressures of the current business environment.
- Identifying consequences of unethical behaviour, establishing a culture that reinforces integrity, creating better.
