

Report on Management of Students Attributes

Institution identifies the attributes of admitted students from different backgrounds in various programs. At the time of joining institution has mechanism to identify some attributes of the student in the category of academic, cultural, social, health, economical and remaining attributes during the tenure of program. Institution develops a plan for the holistic development of the students based on the attributes. Attributes follows

Data base of the student: At the time of entry, Institution collects the student details of educational background, schooling, Gender and Head of the Department allocates mentors to the students for their overall development.

Economic attribute of the Student: Being located in rural area, a vast majority of the students join this institution are socially as well as economically backward. These are identified at the very entry level, i.e. during the admission and those who are fitting into this category are encouraged and advised to apply for the financial assistance provided by various government and private organizations, such as SC, ST, BC and minority scholarships ,Amartya Madad Scheme and other concessions.

Social Attribute: The institution provides a congenial environment by treating equal status to all the students, and the principle of equal justice is followed strictly without any prejudice or discrimination. However, in case of any such event of breach of this, the institution has established committees, associations and cells such as Code of Conduct committee, Anti-Ragging Committee etc. to monitor, control and manage as and when needed

Academic attribute: Institution has a mechanism to identify the slow learners and advanced learners based on academic performance of the students. For slow learners, Institution provides Tutorial/Remedial classes, study material, counseling to improve their academic performance. Advanced learners encourages to participate in seminars/workshops/hackthons and competitive exams GATE/GRE/TOFEL/Bank exams/Govt exams.

Gender Attribute: The college believes in the principle of "Yathra Naaryantu Pujyathe, Ththraa Ramanthe Devathah", which means, "Gods reside where the women are respected". In view of this, the college provides best facilities and amenities, such as waiting halls in every department, separate hostels, hygienic food, clean and tidy toilets. Physical Directors and Wardens are provided to the Girls hostels for monitor and manage the issues related to women.

Personal and performance attribute: Training and Placement Cell trains students about personality development and technical skills from the first year by adding special hours to the regular academic plan in the entire four-year syllabi as there is flexibility due to autonomous status.

Health and Fitness attributes: Gymnasium is provided to improve Fitness of the students for their holistic development. The NSS unit creates awareness about social service and self-discipline among the students along with learning. Institution has residential doctor with nurses to handle health issues.

Linguistic Attributes: The students from rural Telangana, who come from Telugu medium background usually have problem of understanding the subjects in English. Such students are given a special attention to develop their English linguistic skills both in spoken and written aspects.

The institution believes in developing its students in all dimensions and finds the ease of managing the classifying them through their attributes in each dimension.
