

## **POLICY FOR PERSONS WITH DISABILITIES**

Anurag Engineering College was established by Amartya Educational Society in the year 2001 with an aim of bringing quality engineering education closer to the rural students. The college has created a resourceful and inspiring academic ambience and world class infrastructure. The college is Private Self Financing Institution. The College is approved by AICTE, New Delhi. The College is permanently affiliated to Jawaharlal Nehru Technological University, Hyderabad (JNTUH). TEQIP granted College. An UGC Autonomous Institution.

### **Objectives of the policy**

1. Conducting class and discussions through interactive electronic or other media
2. Create awareness amongst the masses through television, radio and other mass media on the causes
3. Provide facilities for training to the staff at the primary health centre
4. Providing every student with disability free of cost special books and equipments needed for his education

### **Disability**

Disability is the consequence of an impairment that may be physical, cognitive, mental, sensory, emotional, developmental, or some combination of these. A disability may be present from birth, or occur during a person's life time. Anurag engineering college will constitute a specialized committee for people with disabilities which will be responsible in preparing, executing and amending policy and guidelines for persons with disabilities.

The major functions of this committee for persons with disabilities include

1. To identify all disability related issues in the campus
2. Identify needs, expressing views on priorities
3. To determine major grievances pertaining to any matter of persons with disabilities. Resolved it should be sent to the higher authorities.

### **Accessibility policy**

The institution has a coordinated system for offering students with disabilities tools that meet their needs. Providing access means making all the services, activities, and fully available to qualified people with disabilities. Materials for students with disabilities come from a variety of sources and methods -- "e.g., coaching, presentations, webinars, briefs, and book studies."

Providing access means making all the services, activities and benefits thereof, fully available to qualified people with disabilities. The institution should provide various provisions in creating; disabled friendly campus. The college administration and faculty members should ensure appropriate/reasonable accommodations for each person with a disability and be willing to resolve access problems. The campus should be barrier free and accessible for differently abled persons
