

Surveying Lab

Lab Experiments:

1. Introduction & list of experiments
2. Survey of an area by Chain Survey
3. Compass Traversing
4. Theodolite Traversing
5. Radiation method by Plane Table
6. Traversing by plane table survey
7. Fly leveling (Differential leveling)
8. Longitudinal and Cross Sectioning
9. Grid Contouring
10. Indirect Contouring
11. Total Station Surveying
