SUMMARY

ALUMNI FEEDBACK ON CURRICULUM

1. The First attribute was posted to rate the courses that he has learnt in the college in relation to his placement/higher education. **80%** of the students have rated Excellent and **20%** of the respondents rated very good.
2. It was rated as excellent by **55%** of the ALUMNI AND **45%** rated as very good about cocurricular activities arranged during their study period.
3. The third attribute shows the availability of relevant reading materials and digital resources in the library. **55%** of the students opted excellent **40%** of the respondents rated very good.
4. It was rated as excellent by **35%** of the students AND **60%** rated as very good about the transparency of the academic processes of the institute.
5. The Fifth attribute was asked to rate the seminars/workshops/guest lectures /industrial training. **60%** of the students opted Excellent and **35%** opted very good.
6. It was rated as excellent by **40%** of the students AND **55%** rated as very good for the relevance of elective courses in relation to the current advancements / industrial needs.
7. The seventh attribute is rate skills acquired in laboratory courses in relation to domain / real life applications. For this **60%** of the students chosen Excellent and **35%** of the students chosen very good.
8. It was rated as excellent by **35%** of the students AND as very good by **60%** of the students about the value education.
9. It was rated as excellent by **65%** of the students AND as very good by **35%** of the students about the academic initiatives undertaken for the benefit of students.
10. Most of the students are satisfied with the training and placement support in the curriculum because **45%** of the students have chosen excellent and **45%** of the students have chosen Very good.
