ACTION TAKEN REPORT

TEACHER FEEDBACK [CURRICULUM]

A.Y. 2019-20

We have followed the method of collecting feedback from the teachers, on curriculum for the academic year 2019-20, like the depth of course content suitable for outcomes, along with variability of text books and references material, which can sharpen the positive way in their mind. Finally, the management has taken urgent actions, which are very helpful to stakeholders.

The following table represents issues observed and actions taken to resolve them.

S.NO	ISSUES OBSERVED	ACTION TAKEN
1	The programme and curriculum is enriched as compared to similar programme offered by other reputed Institutions	These areas, on which teachers expect improvement, have been considered and are conveyed during evaluation time to the committee members.
2	Syllabus is sufficient to bridge the gap between industry standards /current global scenarios and academics.	
3	TEACHER felt that the laboratory enables to develop experimental, design, problem solving and analysis skills of the students should be increased.	The laboratory enables to develop experimental, design, problem solving and analysis skills of the students were increased.
