ACTION TAKEN REPORT

TEACHER FEEDBACK [CURRICULUM] A.Y. 2022-23

The Institution collected feedback on curriculum from the teachers with regard to the points given on teacher feedback form for the academic year 2022-23. The collected feedback is examined exhaustively and certain actions were taken for the benefit of students. This furthermore helped us to improve our curriculum. Here are the issues noticed and the action taken against the issues observed to resolve them.

ISSUES OBSERVED:

1. The Laboratory enables to develop experimental, design, problem solving and analysis skills of the students.
2. The availability of reference material should be increased.
3. The programme and curriculum is enriched as compared to similar programme offered by other reputed Institutions
4. The course content not satisfy the needs of follow-on courses.

ACTION TAKEN:

1. These areas, on which teachers expect improvement, have been considered and are conveyed during evaluation time to the committee members.
2. Provided reference material to the teachers in the general library and department library.
3. These areas, on which teachers expect improvement, have been considered and are conveyed during evaluation time to the committee members.
4. Taken the necessary actions regarding course content to satisfy the needs of the follow on courses.
