ACTION TAKEN REPORT

ALUMNI FEED BACK [CURRICULUM] A.Y 2023-24

The Institution collected feedback on curriculum from the ALUMNI for the academic year 2023-24. The collected feedback was analysed and the necessary actions were taken for the benefit of students.

The following is the action taken regarding the issues identified

S.NO	ISSUES OBSERVED	ACTION TAKEN
1	Alumni recommended enhancing project work, industrial exposure, internships, and field visits to provide better practical knowledge and problem-solving abilities.	- Proposed to identify industry partners to increase the number of internships and live project opportunities for students for the academic year 2024-25. - Proposed the inclusion of mandatory field visits and project-based learning sessions to strengthen practical exposure for the academic year 2024-25.
2	Alumni suggested that courses and syllabi should be more engaging to foster interest in the subject and motivate further learning or specialization.	Proposed to facilitate access to Massive Open Online Courses (MOOCs) on platforms like Coursera, Udemy, and NPTEL to allow students to pursue interests beyond the curriculum in the upcoming academic year. proposed introduced value-added courses on trending topics such as AI&ML, Blockchain Technology, and Cybersecurity for the academic year 2024-25.
