Please rate the following statements based on your agreement with each statement using the scale provided.

"Strongly Agree = 5, Agree = 4, Neutral = 3, Disagree = 2, Strongly Disagree = 1"

S.No	Question	5	4	3	2	1
1	The curriculum was focused on employability, skill development, and preparing graduates for industry challenges.	✓				
2	The curriculum provided a good balance between theoretical knowledge and practical applications relevant to your current professional role..		✓			
3	The courses and syllabus were well-structured and aligned with the program's objectives, supporting graduates career growth.		✓			
4	The curriculum is enriched, up-to-date, and comparable to similar programs offered by other institutions.	✓				
5	How satisfied are you with the elective courses offered during your program in terms of reflecting technological advancements and meeting industry requirements?	✓				
6	Project work, industrial exposure, internships, or field visits significantly enhance practical knowledge and problem-solving abilities.	✓				
7	The objectives and outcomes of the syllabi were clearly defined and effectively prepared you for professional challenges.		✓			
8	The prescribed textbooks and reference materials are relevant and appropriate for the courses.	✓				
9	The courses and their syllabi spark interest in the subject and motivate to pursue further learning or specialization	✓				
10	The distribution of contact hours among course components (learning, theory, practice) is appropriate to meet learning objectives.	✓				
11	Do you feel that the current curriculum is better than the curriculum you have studied?	✓				
12	How satisfied are you with the overall curriculum's contribution to your personal and professional growth? <i>(Scale: Very Satisfied-5, Satisfied-4, Neutral-3, Dissatisfied-2, Very Dissatisfied-1)</i>			✓		

Would you recommend improvements to any specific area of the curriculum? If yes, please specify.
