

### Feedback of Faculty on Curriculum

**Name of the Program** : B.Tech      **Regulation** : R22      **Branch** : MECH  
**Name of the Faculty** : L. Ramesh  
**Designation** : Asst. Prof.  
**E-mail** : ramesh.mech@anurag.ac.in  
**Contact Number** : 9502152208

Please rate the following statements based on your agreement with each statement using the scale provided.

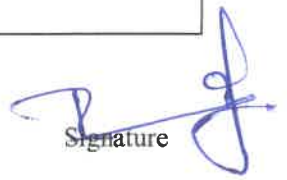

*"Strongly Agree = 5, Agree = 4, Neutral = 3, Disagree = 2, Strongly Disagree = 1"*

S.No	Question	5	4	3	2	1
1	The curriculum effectively focuses on employability, skill development, and competency enhancement in graduates.	✓				
2	The curriculum maintains a good balance between theoretical knowledge and practical applications.		✓			
3	The curriculum is enriched, up-to-date, and comparable to similar programs offered by other institutions.	✓				
4	The courses and syllabus are well-organized and aligned with the program's objectives.	✓				
5	Elective courses offered in the curriculum reflect technological advancements and industry needs.		✓			
6	Project work, industrial exposure, internships, or field visits enhance students' practical knowledge and analytical skills.			✓		
7	The objectives & outcomes of the syllabi are clearly defined and well-communicated to teachers and students.	✓				
8	Prerequisites for each course are clearly defined and adequate for effective teaching and learning.		✓			
9	The prescribed textbooks and reference materials are relevant, up-to-date, and suitable for the courses.	✓				
10	The allocation of contact hours between course components (theory, practice, learning activities) is appropriate.		✓			
11	The curriculum aligns with the Vision & Mission of the Institute & Department		✓			
12	The defined Course Outcomes (COs), Program Outcomes (POs), and Program Educational Objectives (PEOs) are achievable through the adopted teaching, learning, and evaluation methods.			✓		

Would you recommend improvements to any specific area of the curriculum? If yes, please specify.

### Feedback of Faculty on Curriculum

**Name of the Program** : B.Tech      **Regulation** : R22      **Branch** : CE  
**Name of the Faculty** : S. Naresh  
**Designation** : Assoc. Prof  
**E-mail** : snaresh@anurag.ac.in  
**Contact Number** : 8309992266

Please rate the following statements based on your agreement with each statement using the scale provided.

*"Strongly Agree = 5, Agree = 4, Neutral = 3, Disagree = 2, Strongly Disagree = 1"*

S.No	Question	5	4	3	2	1
1	The curriculum effectively focuses on employability, skill development, and competency enhancement in graduates.	✓				
2	The curriculum maintains a good balance between theoretical knowledge and practical applications.		✓			
3	The curriculum is enriched, up-to-date, and comparable to similar programs offered by other institutions.		✓			
4	The courses and syllabus are well-organized and aligned with the program's objectives.	✓				
5	Elective courses offered in the curriculum reflect technological advancements and industry needs.	✓				
6	Project work, industrial exposure, internships, or field visits enhance students' practical knowledge and analytical skills.	✓				
7	The objectives & outcomes of the syllabi are clearly defined and well-communicated to teachers and students.		✓			
8	Prerequisites for each course are clearly defined and adequate for effective teaching and learning.		✓			
9	The prescribed textbooks and reference materials are relevant, up-to-date, and suitable for the courses.	✓				
10	The allocation of contact hours between course components (theory, practice, learning activities) is appropriate.	✓				
11	The curriculum aligns with the Vision & Mission of the Institute & Department		✓			
12	The defined Course Outcomes (COs), Program Outcomes (POs), and Program Educational Objectives (PEOs) are achievable through the adopted teaching, learning, and evaluation methods.		✓
