Please rate the following statements based on your agreement with each statement using the scale provided.

"Strongly Agree = 5, Agree = 4, Neutral = 3, Disagree = 2, Strongly Disagree = 1"

S.No	Question	5	4	3	2	1
1	The curriculum is focused on employability, skill development, and competency enhancement of graduates.		✓			
2	The curriculum maintains a good balance between theoretical knowledge and practical applications.	✓				
3	The courses in the curriculum and syllabus are well-organized and aligned with the program's objectives.		✓			
4	The curriculum is enriched, up-to-date, and comparable to similar programs offered by other institutions.	✓				
5	Elective courses offered in the curriculum reflect technological advancements and industry needs.			✓		
6	Project work, industrial exposure, internships, or field visits enhance practical knowledge and analytical skills.		✓			
7	The objectives & outcomes of the syllabi are well-defined and achievable.	✓				
8	The prescribed textbooks and reference materials are relevant and appropriate for the courses.	✓				
9	The courses and their syllabi generate interest in the subject area.		✓			
10	The distribution of contact hours among course components (learning, theory, practice) is appropriate.	✓				

Would you recommend improvements to any specific area of the curriculum? If yes, please specify.

Enhance reflect technological advancements
 & industry needs
