

# **Memorandum of Understanding**

#### Preamble

This Memorandum of Understanding (MoU) is made and entered into on this 19<sup>th</sup> April, 2025, by and between Department of Civil Engineering, Anurag Engineering College, Kodad Suryapet District, Telangana – 508206 and KCP Limited Muktyala Cement Plant, Ramakrishnapuram, Muktyala, Jaggayyapeta Mandal, Krishna District, Andhra Pradesh – 521457.

#### Objective of the MoU

The purpose of this MoU is to establish a collaborative framework between the Department of Civil Engineering, Anurag Engineering College and KCP Limited, Muktyala to:

- 1. Facilitate industrial visits for undergraduate and postgraduate students.
- 2. Provide internship/training opportunities for students and faculty.
- 3. Promote industry-institution interaction to bridge the gap between academic learning and industry practices
- 4. Enhance practical knowledge, technical skills, and employability among students.
- 5. Enable collaborative projects, guest lectures, and knowledge sharing sessions.

# Scope of Collaboration

Under this MoU, the following activities will be undertaken:

# 1. Industrial Visits

- > Organizing periodic visits for students to the KCP Limited, Muktyala.
- > Exposure to cement production processes, quality control, safety measures, and environmental management.

## 2. Student Internships and Training

- > Facilitating short-term or long-term internships for Civil Engineering students during vacation periods or final semesters.
- > Providing real-time industry experience in cement production, quality testing, materials handling, and sustainability practices.

## 3. Faculty Interaction and Training

- > Encouraging faculty participation in industrial training or joint workshops.
- > Sharing of technical knowledge and latest trends in construction materials and cement technology.

### 4. Guest Lectures and Workshops

- > Inviting industry experts for lectures, seminars, and workshops at the institution.
- > Enhancing curriculum relevance and industry-aligned knowledge.

## 5. Collaborative Projects

> Exploring joint research projects, case studies, or consultancy assignments related to concrete technology, cement properties, or sustainable construction.

### 6. Roles and Responsibilities

## 6.1. Institution Agrees To:

- 1. Coordinate and schedule industrial visits in consultation with the Industry.
- 2. Nominate faculty coordinators and student representatives for effective communication.
- 3. Ensure discipline, safety, and decorum during visits and internships.
- 4. Provide acknowledgment and recognition to the Industry in project reports and academic records.

## 6.2. Industry Agrees To:

- 1. Facilitate visits, internships, and training programs as per availability and safety protocols.
- 2. Designate a point of contact for coordination with the Institution.
- 3. Provide technical assistance, guidance, and mentorship where applicable.
- 4. Maintain confidentiality and safety compliance during student visits.
- 5. Duration of the MoU:-This MoU shall remain in force for a period of two (2) years from the date of signing and may be renewed upon mutual agreement by both Parties.

### 7. Confidentiality

Both Parties agree to maintain confidentiality of any proprietary or sensitive information shared during the course of this collaboration.

#### 8. Termination

This MoU may be terminated by either Party with a 30-day written notice, without assigning any reason. Any activities in progress will be completed as per prior mutual agreement.

# 9. Dispute Resolution

Any disputes arising under this MoU shall be resolved amicably through mutual discussion. If unresolved, such disputes shall be referred to an arbitration committee comprising members from both Parties.

#### 10. Jurisdiction

This MoU shall be governed under the laws of the Republic of India, and the jurisdiction shall lie with the courts located in Telangana or Andhra Pradesh, as mutually agreed.

In Witnesses whereof the parties have executed this Agreement by their duly authorized representatives:
